I had mentioned last time that I heard there were going to be some changes on the street. The rumor was true! Someone told me that the new place, Apartment 720, is going to be opening soon. I was curious as to when the Grand Opening is so I was asked around and the response I got was "If you're supposed to know you'll know." LOL... I'll keep you posted if I find anything else out.

Until next time,

Bugs
