Sunday, May 25th, 2008 – Even though the rain was coming down sideways with big gusts of wind the party was just beginning at Apartment 720 as Favio hosted his 3rd Annual Memorial Day VIP Birthday Bash, however this time some special guests showed up to help us celebrate. Pop group Panic at the Disco held their Official After Party at Apartment 720. The group partied in the Purple VIP room as lead singer and guitarist, Ryan Ross, changed up the pace a bit as he spun some old school rock n' roll while up in the DJ Booth. Even Alex Greenwald, lead singer from Phantom Planet, whose hit song is "California" otherwise known as the theme song for the television series the OC, came out to party with Panic at the Disco at Apartment 720.
