

CELEBRITY WATCH

Well hello there again! Things have been pretty crazy on the street! Here is what has been happening.

Wednesday, August 27th, 2008 - During the pre-season Daryn Colledge of the Green Bay Packers took a break and stopped down and dined at Umami Moto.

Thursday, August 28th, 2008 - My ears are still ringing with sounds of Harley Davidson riders revving their engines. Did someone say block party on Milwaukee Street? I was there jamming out to Rock groups Tea Leaf Green and Black Rebel Motorcycle Club for the Harley 105th Milwaukee Street Block Party. The street was just packed with Harley riders. What a night!

Sunday, August 31st, 2008 - Brian Skinner of the Los Angeles Clippers stopped down to check out Favio's Labor Day Party at Apartment 720 while resident DJ Richie Rich was on the ones and twos.

Thursday, September 4th, 2008 - Bill Hall of the Milwaukee Brewers was spotted at Apartment 720 with a guest.

Saturday, September 6th, 2008 - San Diego Padres General Manager Kevin Tower and pitcher Trevor Hoffman were in town and were seen dining at Carnevor.

Friday, September 12th, 2008 - Charlie Villanueva of the Milwaukee Bucks was spotted dining at Umami Moto with a friend.

Saturday, September 13th, 2008 - Dan Gadzuric was spotted at Umami Moto. He and his guest tasted several items on the menu before heading upstairs to Apartment 720.

Friday, September 19th, 2008 - Carnevor was in full swing when all eyes shifted to Supermodel Cindy Crawford as she walked into Carnevor. She is more beautiful in person! She was in good company, sharing laughs and enjoying a nice dinner with friends.

Friday, September 26th, 2008 - The Chicago Cubs Allstar players Alfonso Soriano, Carlos Zambrano, Carlos Marmol were seen hanging out on the Platform VIP at Kenadee's. They were also joined by Felix Pie.

Friday, October 3rd, 2008 - Milwaukee Brewers manager Dale Sveum and Hall of Famer Robin Yount were spotted dining at Carnevor together.

Saturday, October 4th, 2008 - Host of ESPN's Baseball Tonight, Steve Phillips, was spotted checking out Apartment 720 and Kenadee's.

Monday, October 6th, 2008 - Santana Dotson hosted Kenadee's Flip For Your Food Monday Night Football viewing party. Flip For Your Food Mondays at Kenadee's has been the greatest special of all time in my eyes. You come in order your food and at the end of your meal you pick heads or tails and then your server flips a coin. If the coin lands on what you pick your food is FREE!! Now how can you beat free food and Monday Night Football!? You know where I will be every Monday. P.S. They run the special for lunch too!

Friday, October 10th, 2008 - NBA Champions Richard Hamilton, Rasheed Wallace, Kwame Brown and Chauncey Billups of the Detroit Pistons were in the house at Kenadee's. They seem to always frequent Milwaukee Street when they are in town. Until next time, boys!
