Saturday October, 17th – Was it just me, or did it feel like I walked into a skinny jean convention when Apartment 720 hosted the Boys Like Girls and Cobra Starship official after party. Cobra Starship's lead singer, Gabe Saporta, was the special guest DJ for the night, man he sure does know how to make them "good girls go bad"!

Saturday, November 21st – "When I walk in the club, all eyes on me, I'm with the Party Rock Crew, all drinks are free"! I was with the Party Rock crew, were you?! Apartment 720 hosted The Official Party Rock Tour after party, featuring live performances by LMFAO, Shwayze, Cisco Adler, Far East Movement and The Paradiso Girls. This was LMFAO's second appearance at 720, the first time they were here I thought the floor was going to cave in, but this time I swear the whole building was going to collapse! I have never seen so many dedicated fans! Girls on the dance floor were singing "I'm on Patron, Tequila, I'm drunk off margaritas"! And of course LMFAO's performance with their hot new single, "SHOTS" got everybody wild in the club that night!

Saturday, December 5th – Packer teammates, John Jolly, Rob Davis, Devin Bush, others and select Cleveland Cavaliers came to party at Apartment 720. Sorry we missed you, LeBron.

Saturday, December 12th – Jesse Metcalfe had so much fun the previous night he returned back to Milwaukee Street and headed over to Kenadee's again! He partied it up, hung out and took pictures with his fans all night! It seems to me that Jesse needed his fix of some Milwaukee Street lovin' that night!

Tuesday, December 15th – Green Bay Packers' very own, Donald Driver, made his first appearance at Charro Brookfield.
