

# CELEBRITY WATCH

Wow! There has been a lot of action down here on Milwaukee Street... But first,

Did I miss the Bentley sale? No one told me about it! There were a couple of nights these past few weeks where there were multiple Bentleys on the street, so I was wondering what was going on. It's looking like the night time version of Rodeo Drive.

Anyway.

**February 7, 2006** - Tuesday: Orlando Magic Guard Steve Franchise Frances dined with teammate Jameer Nelson at Carnevor the night before losing to the Bucks in double overtime 94-89. Steve mentioned that Carnevor was the best restaurant he has been to this season and one of the best he's ever dined in.

**February 13, 2006** - Monday: Seattle Supersonics Center Nick Collison joined a friend downstairs at Carnevor for some appetizers. They also watched a few games on the Plasmas as well.

**March 2, 2006** - Thursday: Former Milwaukee Bucks Head Coach Terry Porter enjoyed dinner with his wife at Carnevor.

**March 3, 2006** - Friday: Multi-platinum recording artist David Gray dined at Carnevor with his management team. Congrats on your sold out performance! Also, TMJ4 news anchors Mike Gouche and Carroll Meikens were spotted dining at Carnevor as well.

**March 3, 2006** - Friday: If you missed the Info\* Block Party, I don't know what to tell you! I want to congratulate the guys on their 5th year. Let me tell you Milwaukee Street partied hard tonight. The party included events at Kenadees, Tangerine, Euro, Three and Eve. There were appetizers from Cubanitas, Ouzo Café, Euro and Carnevor. The spotlights were waving in the air and all the places were packed. It truly was a great night.

**March 10, 2006** - Friday: Eve celebrated 4 years of business with their party "REVEAL". It was also a welcome back party for Los Angeles Clippers Guard, Sam Cassell. This is the first time he's been back since leaving the Bucks. It was good to see you Sammy! Teammates Cuttino Mobley, Elton Brand, Daniel Ewing, Yaroslav Korolev, Shaun Livingston, Corey Maggette, Walter McCarty, Vladimir Radmanovic, Zeljko Rebraca, Quinton Ross, James Singleton and Boniface Ndong came out to celebrate with Sam. Also, Latrell Sprewell stopped by the party after dining at Carnevor. The night went well and there were a lot of people out partying. Thanks to everyone who made this a great night.

**March 11, 2006** - Saturday: Milwaukee Bucks Guard Michael Redd joined two friends for diner at Carnevor after the Bucks lost to the L.A. Clippers 106-98. He later stopped by Eve and hung out with friends and his fellow teammate Jamaal Magloire.

Well that was a recap of what's been going on down here on Milwaukee Street.

Also, Wisconsin native Candice Michelle is featured on the cover of the April 2006 issue of Playboy Magazine. You might know her from the WWE or as the infamous GoDaddy Girl from the Super Bowl commercials. We would like to say congrats! And we remember the bachelorette party that you had down at Eve last year. That was a lot of fun!!! Ah, memories...

Until next time!
